

List of publications:

- Bairlein F, Fiedler W, Salewski V, Walther BA. 2009. Migration and non-breeding distribution of European Ortolans *Emberiza hortulana* - an overview. *Naturschutz und Landschaftspflege in Niedersachsen* (in press).
- Walther BA, van Niekerk A, Thuiller W, Baumann S, Dean WRJ, de Bruijn B, Jones PJ, Nikolaus G, Pearson DJ, Robinson SP, Salewski V, Schäffer N, Taylor PB, Tushabe H, Rahbek C. 2009. A database of Western Palearctic birds migrating within Africa to guide conservation decisions. Proceedings of the 12th Pan-African Ornithological Congress. Goudini Spa, Western Cape, South Africa (in press).
- Barbet-Massin M, Walther BA, Thuiller W, Rahbek C, Jiguet F. 2009. Potential impacts of climate change on the winter distribution of Afro-Palaeartic migrant passerines. *Biology Letters* **5**:248-251.
- Walther BA. 2008. Ringing recoveries of the Corncrake *Crex crex* in Africa and Sinai. *Vogelwelt* **29**:103-108.
- Walther BA, Schäffer N, Thuiller W, van Niekerk A, Rahbek C, Chown SL. 2007. Modelling the winter distribution of a rare and endangered migrant, the Aquatic Warbler *Acrocephalus paludicola*. *Ibis* **149**: 701-714.
- Wisz MS, Walther BA, Rahbek C. 2007. Using potential distributions to explore determinants of Western Palearctic migratory songbird species richness in sub-Saharan Africa. *Journal of Biogeography* **34**:828-841.
- Walther BA. 2006. The winter distribution and habitat use of the near-threatened cinereous bunting *Emberiza cineracea*. *Sandgrouse* **28**:52-57.
- Schäffer N, Walther BA, Gutteridge K, Rahbek C. 2006. The African migration and wintering grounds of the threatened Aquatic Warbler *Acrocephalus paludicola*. *Bird Conservation International* **16**:33-56.
- Walther BA, Wisz MS, Rahbek C. 2004. Known and predicted winter distributions and habitat use of the near-threatened Basra Reed Warbler *Acrocephalus griseldis* and Cinereous Bunting *Emberiza cineracea*. *Journal of Ornithology* **145**:287-299.
- Walther BA, Rahbek C. 2002. Where do Palearctic migratory birds overwinter in Africa? *Dansk Ornitologisk Forenings Tidsskrift* **96**:4-8.
